A Note from the Director:

Dear Oak Grove families,

The month of May is a great time to celebrate all of the wonderful things our Oak Grove children have accomplished during the school year. They have all grown and developed in so many amazing ways.

There are several FUN events coming up this month, and we'd LOVE for you to join us for some Oak Grove FUN! We are looking for VOLUNTEERS to assist on Bike Day and Field Day! And, your children love seeing you at their school!

Please continue to spread the good word about OGP&K! There are limited spaces available for the upcoming school year, and we'd love to have your family & friends at OGP&K!

As always, we thank you for your continued love and support! We are so blessed to have you as a part of our OGP&K family!

With love and kindness,

Heather Eberle
